

Dear Preschool Parents:

We are praying that you and your family are staying safe during the Pandemic. Special prayers for those who have the virus, or lost their jobs and are struggling financially.

Preschool will not be reopening in June. We will continue to follow the NYS guidelines and the recommendations of Governor Cuomo. Parents will be contacted when they may pick up their children's belongings from school.

Please check the parish website for information about our live streaming of each Sunday mass at 10:15am and newly updated Facebook page. Follow us also on Instagram. Now more than ever we need our Faith and our parish family!

Count on our special thoughts and prayers these difficult days!

Peace,
St. John's Preschool
